

Easter Festival 2007

This year for our area Easter Celebration we are doing something entirely different, fun and new. **We will no longer be holding the typical Easter egg hunt.** Thanksgiving Point will be holding their Easter egg hunt as they have in the past and we encourage you to support them. The Lehi Area Chamber of Commerce will be sponsoring an all new Easter Festival. This will be a fun new event that the whole family can enjoy, but will be especially targeted for the children. The event will be held at the Lehi Legacy Center on April 6th from 4 to 7 pm. We will be serving dinner and having entertainment and the Easter Bunny to visit and take pictures with. There will also be several games and activities the children will be able to participate in and will receive a prize at each of these booths. We will also be giving away door prizes every 20 minutes throughout the evening! The cost for this event will be \$5 a person.

Asset #31

Kids believe that it's important not to be sexually active or to use alcohol or other drugs.

- **Talk with your kids as openly as you can about sex, alcohol, and other drugs. If you're uncomfortable discussing certain topics, admit it and provide age appropriate books. Encourage your kids to talk with other adults you know and trust.**
- **Be clear about your boundaries, values, and reasons.**
- **Teach and model appropriate ways to show affection.**
- **Tell your children that if they ever find themselves in a situation where others are pressuring them to have sex or get drunk or high, they can call you and you'll come to get them.**
