

LEHI LEGACY CENTER

Mandatory Sportsmanship Program

(Set a good example)

REQUIRED PRIOR TO REGISTRATION FOR ALL YOUTH SPORTS

This program will help create a positive atmosphere at games to help kids have fun and feel good about themselves.

Parent(s) of youth sport participants will be required to watch the SAGE video and answer the questions. Those that fail to participate in the class will not be allowed to sign their youth up until they have completed the course.

At the end of you will receive a card that will be valid for one year at which point you will need to take the course again. This card will have a unique number and your name on it. You will need both of these pieces of information when you register for any youth sport so we can successfully track those that have taken the class. Class covers all children in household.
