

Hunter Safety

1. Can they sign up for the class late?

Yes, if there is availability. They can miss one class, or 3 hours of instruction, they can not miss anymore after that.

2. Are refunds available?

No, because the city does not issue refunds for less than \$5.00 and that is the price of the hunter safety class. However, they can come in and get their hunting voucher back.

3. Can they take the class online?

No, there is no online range or test dates scheduled with the Legacy Center. They can look up online www.wildlife.utah.gov to see a schedule of what hunter safety classes are offered online.

4. Where is range?

P.G. Lions Club
