Harold and Karen Terry
2012 Grand Marshall

Captain Harold and Karen Terry were chosen this year to be the 2012 Lehi Round-Up Celebration's Grand Marshal. They are a great example of community service and a life time of devotion to the city of Lehi.

Harold and Karen were both born and raised here in Lehi. They met while in high school at early morning band practice. They both played the trumpet and he finally won her over and took her to the prom for their first date. After that, they became high school sweet hearts and were married in 1973. They have been married for 39 years.

Karen remembers enjoying the Round-Up events as a family. They attended the Rodeo all three nights, and Karen's mom would sew special, matching outfits for all of her siblings just for the occasion.

For the first 19 years of their marriage, Harold was a truck driver; he then went back to school and became a Police Officer in 1992. He graduated and was hired two days later by Lehi City. He taught traffic school, and he taught young men and young women groups about drugs and self defense. He coached little league baseball for many years and loved being able to give back to the community.

In 2009, after the shooting, Captain Harold Terry was awarded the Medal of Valor and the Purple Heart by the Utah Peace Officers Association for his courageous actions and personal bravery to protect the public. In 2010, he was given the Robert B. Hutchings Memorial Award for his service to the public. We would like to thank Captain Terry for his service to our community of Lehi and we are honored to have Harold and Karen Terry as our Grand Marshals this year for the 2012 Lehi Round-Up Celebration.
