

Mayor's Message

May 2013

Spring is in full swing, and everyone needs to be sure to enjoy the warm weather and sunshine. One of the best parts of living in Lehi is all of the ways to enjoy the outdoors. From the mountains, to our great city parks, to just enjoying a quiet walk in one of our beautiful neighborhoods, spring in Lehi is always wonderful. Another great way to enjoy the season is to hit the links at Fox Hollow Golf Club.

Although it is located in American Fork, Lehi City actually co-owns Fox Hollow Golf Club along with American Fork and Pleasant Grove. Fox Hollow Golf Club features an 18-hole, Par 72 course that is both challenging and fun. Along with the great golf, Fox Hollow is also an excellent place to schedule your special events. The clubhouse at Fox Hollow hosts weddings, anniversaries, and parties. Fox Hollow offers a spacious banquet room and beautifully landscaped grounds that even includes a waterfall! If you are interested in scheduling an event at Fox Hollow just call Karissa at (801) 830-6844.

I also encourage everyone to attend the Murdock Canal Trail Grand Opening Celebration on Saturday, May 18th. The Murdock Canal Trail will run through seven cities in Utah County, and Lehi will be hosting the celebration's finale. Lehi's celebration will happen at the Smith's Parking Lot at 1550 East 3500 North at 11:30 am. Be sure to hit each city's events to have the best chance at winning some exciting prizes during the grand prize drawing. Look at the events section in this newsletter for more information.

I would like to thank everyone that helped cleanup during Beautify Lehi Week. We had many individuals, families, and organizations participate in helping Lehi look great for the spring and summer, and everyone that helped did a fantastic job. Don't forget to call (801) 407-1007 to register your project for awards that include a pizza party, Legacy Center passes, free swimming pool rental, and other great prizes. I am grateful to all of our residents for making Lehi a great place to live and work, and I hope everyone has a fantastic May!

- Mayor Bert Wilson

Declaration of Candidacy Date Change

The Utah State Legislature just passed legislation that changes the Declaration of Candidacy period to end on **June 7, 2013**. In the past, the filing period to run for office was June 1st to June 15th. The new Declaration of Candidacy filing period now runs from June 1st to June 7th. Anyone wishing to run for office in the November 5, 2013 Lehi General Municipal Election must first file a Declaration of Candidacy form with the Lehi City Recorder.

In order to accommodate this change to the law, the Lehi City Offices will be open on Friday, June 7, 2013 from 7:00 am to 6:00 pm. The city recorder will be in the office to receive any Declaration of Candidacy filings on that day. Declaration of Candidacy forms can be turned in between the hours of 7:00 am and 6:00 pm, Monday through Friday, June 3, 2013 to June 7, 2013.

Please contact the city recorder's office at (801) 768-7100, extension 2254 with any questions. You can also email your questions or concerns to mбанasky@lehi-ut.gov for further information.

New Wildfire Program

The Lehi Fire Department is launching a new program in Lehi designed to teach individuals who live in high-risk wildfire areas how to best prepare themselves and their properties against wildland fire threats. The *Ready, Set, Go! Program* works collaboratively with existing defensible space education tools, such as Firewise, and provides the tools for our firefighters to educate individuals on preparedness and situational awareness when a fire starts.

The *Ready, Set, Go! Program* is the result of a nationwide discussion on how to protect homes and lives in the Wildland-Urban Interface (where development meets natural vegetation) and the Ember Zone (the area where the wind-driven ember fall-out from a wildland fire can threaten property and lives).

Ready, Set, Go! is a three-step process that allows firefighters to teach homeowners to create their own action plan to get their property wildfire prepped and ready for long before a fire, get set to depart from one's home, and to understand the role of evacuation in our area. This process significantly increases the safety of the homeowner and family and allows the firefighters to do their best job of extinguishing the fire, thus increasing the chance of saving homes and lives.

Don't let the first time you educate yourself on wildland fire be in the aftermath. **Please join us on June 20th from 6:30 pm to 8:00 pm at Station 82 (250 West 2600 North). Space is limited, please sign up today. Go to <http://www.lehicert.org/training/signup>.**

Use safety collars on the Olympic bars at all times; and use a spotter when necessary. Power-lifting techniques are not allowed in the weight room.
