General Sports Policies

Last Updated: 03/14/11

Playing Up Policy:

In-order to keep with the spirit of recreation sports, participants will be required to participate in their designated age group. This is defined by which grade the child is in school according to the current Alpine School District school year calendar. The child must be in the grade during the season or otherwise specified during registration.

Playing up or playing down a grade or age group will not be allowed. The only exception to this rule is, that if a kid has a medical condition (i.e. disability, handicap, etc.) which warrants him/her to play down in the appropriate age group. These will be dealt with on a case-by-case basis and must be approved by the Recreation Coordinator.

Games Counted as a Complete Game:

When a game is cut short and is not fully completed and the game has not been halfway completed or more, the game will be made-up at a later time which will be determined by the Lehi City Recreation staff.
