BUSINESS CONSUMER RESPONSIBILITY

PAYMENT The applicant agrees to pay monthly for the utility services rendered by Lehi City. Charges for service will be made at the established rates for the class of service applicable to the applicant.

DELINQUENCY Payment for services is due immediately upon billing and shall be delinquent if not paid by the due date on the bill. A penalty of 1.5% per month will be added to the delinquent account. The City may disconnect service on delinquent accounts not paid 30 days following the due date. City shall not be liable for any damage resulting from such disconnection. In order to restore service, the customer must bring current all delinquent charges. In addition, the City will charge a reconnection fee. The applicant agrees to pay reasonable expenses of collection including attorney's fees and court costs should it become necessary to use such measures to collect the charges made to the applicant's account.

SECURITY DEPOSIT The applicant is required to pay a deposit. The deposit may be applied to the utility account after 24 consecutive months of on-time payments. This credit must be requested in writing from the customer. It is further understood that the City shall not be required to pay interest on any security deposit. Unpaid accounts will be considered delinquent notwithstanding the existence of the security deposit. The City may apply the amount of the security deposit to the final bill of the consumer, and any balance remaining will be refunded to the applicant. A qualifying* letter of credit from a previous utility, or a previous account with Lehi City in good standing will waive the deposit.

REASONABLE ACCESS The applicant shall permit the City's authorized representatives to enter on the customer's premises at all reasonable times for purposes connected with rendering, billing, or disconnecting utility services.

TERMINATION OF SERVICE The applicant agrees to be responsible for the payment of utility charges incurred at these premises until their responsibility is terminated in one of the following ways:

1. by verbal or written order by the applicant,
2. by the City's termination for lack of payment, as outlined previously,
3. upon completion of an application for services, at the premises, by another party.

Should customer change locations and occupy a subsequent or an additional location within the City, customer shall notify the City promptly of such a change of address, and hereby authorizes City to note such change of point of delivery in the City's records.

Customer warrants that all information supplied in this contract is true and correct and understands that false and misleading information shall be cause for the City to deny or cancel service and demand immediate payment of any amounts due.

The customer agrees to the above terms and conditions and agrees to be bound by the Rules and Regulations adapted from time to time by Lehi City, and acknowledges that the undersigned has liability to the City for all obligations incurred at the location during the term of the contract.
