SECTION 1: SERVICE REQUIREMENTS AND PROPOSAL PRICING

1.1 SERVICE REQUIREMENTS

Lehi City is seeking proposals for the construction of Sunrise Summit Park, as well as its associated restroom, located at approximately the corner of Traverse Mountain Boulevard and Chapel Ridge Boulevard in Lehi, Utah. The following is a description of the work Lehi City will require:

- 1) **Park Construction:** The qualified bidder must have demonstrable ability to construct the park in accordance with all specifications as contained in the construction documents in Section 5.1 of this document.
 - a. Contractors will not be responsible for the purchase or installation of playground equipment. Lehi City will be completing that aspect of the project.
 - b. The sprinkler part specified for the trees (see page 26 of Attachment 5.1) will be changed from the Hunter RZWS-SLEEVE-18-25CV to two 0.25 gallon/hour bubblers per tree with 24 inch perforated ABS and cap.

- 2) **Restroom Construction:** The qualified bidder must have the demonstrable ability to construct the restrooms at Sunrise Summit Park in accordance with all specifications as contained in the construction documents in Section 5.2 of this document. It should be noted that although the location of the restrooms specified in the construction documents in Section 5.2 is different than the location of Sunrise Summit Park, these are the restrooms that will be built at Sunrise Summit Park as well.

Please also note that the restroom plans are larger than the site provided in the park construction documents. This issue will be addressed at the mandatory pre-bid meeting (see below).

It should be noted that this is a resubmittal of a previous RFP (2014-5 Sunrise Summit Park & Restroom Construction). The park plans have been altered from the previous plans. The city is also not asking contractors to bid on the purchase or installation of the playground equipment (see above)

Mandatory inspections will be required at key points of the project including but not limited to: planting, main line covering, and laying of sod.

If the contractor creates any damage to the sidewalk, asphalt, or other City property during the project, the contractor will be held responsible for the necessary repair work. All work should be completed as soon as possible (weather dependent).

A **mandatory** pre-bid meeting is scheduled for Monday, August 25, 2014 at 4:00PM at Lehi City Hall, 153 North 100 East, Lehi, UT 84043. This meeting is mandatory, as details regarding the project will be given and Contractors will be able to ask questions of the Parks Division.

Proposals that do not meet the standards set by Section 2.3 of this document will be deemed incomplete and not opened.

Contractors should submit proposals by September 2, 2014 at 5:00 PM MDT. Proposal documents and specifications for RFP No. 2014-15, "Sunrise Summit Park & Restroom Construction," can be found online at lehi-ut.gov/business/rfp-bid-solicitations/ or on BidSync.com.

However, after receiving the Owner's written notice, Contractor shall have five (5) working days (Monday-Friday) in which to cure any such deficiency. In the event the Contractor fails to adequately cure a deficiency, the Contractor will be liable for any resulting damages from said deficiency and breach of this Agreement, which the Owner may pursue through any available means, whether in law or in equity.

Owner, through its designated agents and representatives, will be the sole determining judge of whether services rendered under the Contract satisfy the requirements as identified in the Contract.

4.8 INDEMNIFICATION

To the fullest extent permitted by law, the Contractor shall indemnify, defend and hold harmless Owner, and any subsidiary or affiliate of the Owner, and its past, present and future agents, representatives and employees from and against all claims, damages, lawsuits, losses, liabilities, liens, cost, citations, penalties, fines and expenses, including but not limited to attorneys' fees, arising out of or resulting from the performance of the work, provided that such claims, damages, losses, liabilities, liens, costs, citations, penalties, fines, or expenses are caused in whole or in part by any negligent, grossly negligent, reckless, or intentional act or omission by the Contractor, any
