**Application Requirements**

Please read the applicable sections of the Lehi City Development Code in detail before submitting any type of project application. Attach to the application all necessary documentation as per the following Checklist. Missing information may be cause for denial of application.

The following items, at a minimum, shall be included with the application for a Conditional Use Permit:

- (1) \_\_\_\_\_ A written narrative describing the nature of the conditional use, including information about the proposed use (describe the proposed use, including information such as required parking, hours of operation, expected patrons and/or employees, proposed site improvements, etc.), that also addresses the following issues:
  - (a) \_\_\_\_\_ The proposed use, at the proposed location, will not be detrimental or injurious to property or improvements in the vicinity and will not be detrimental to the public health, safety, general welfare or convenience.
  - (b) \_\_\_\_\_ The proposed use will be located and conducted in a manner in compliance with the goals and policies of the Lehi City General Plan and the purposes of this code.
  - (c) \_\_\_\_\_ That the property on which the use, building, or other structure is proposed to be established is of adequate size and dimensions to permit construction of the facilities and the conduct of the use in such a manner that it will not be detrimental to adjoining properties and the area.

- (3) \_\_\_\_\_ Supporting documentation, maps, pictures, studies and any other information that would allow the Planning Commission to make a well-informed decision.

The names and addresses shall be as shown on the most recently available Utah County tax assessment rolls. It shall be the sole responsibility of the applicant to verify that the mailing list and envelopes are complete and accurate.

**Conditions that May Be Imposed By the Planning Commission**

In approving a Conditional Use permit the Commission may impose such reasonable conditions or restrictions as it deems necessary to secure the purposes of the Lehi City General Plan and the Lehi City Development Code, and to assure operation of the use in a manner compatible with the aesthetics, mass, bulk, and character of existing and potential uses in the general vicinity. The Commission may require guarantees or other evidence that such conditions are being, or will be, met and complied with. These conditions may include, but are not limited:

- a) That the site will be suitably landscaped and maintained and that the design, setbacks, fences, walls, and buffers of all buildings and other structures are adequate to protect property and preserve and/or enhance the appearance and character of the area.
- b) That all buildings or other structures are architecturally attractive and add to the quality of the area.
- c) Provision of parking facilities, including vehicular ingress and egress and surfacing of parking areas and driveways to specified standards.
- d) Street and highway dedication and improvements, including sidewalks, curbs and gutters.
- e) Water supply and fire protection.
- f) The mitigation of nuisance factors such as noise, vibrations, smoke, dust, dirt, odors, gases, noxious matter, heat, glare, electromagnetic disturbances and radiation.
- g) The regulation of operating hours for activities affecting normal neighborhood schedules and functions.
- h) Regulation of signs.
- i) Provisions for a guarantee, bond or other surety that the proposed conditional use will be maintained and operated in compliance with all approval conditions and requirements.
- j) Such other conditions determined necessary by the Commission to allow the establishment and operation of the proposed conditional use in an orderly and efficient manner and in compliance with all elements of the General Plan, and the intent and purpose of the Development Code.

**Effective Time Period of Approval**

The approval of a conditional use shall be effective for a period of one (1) year from the date of City approval, at the end of which time the applicant must have established the conditional use. If the conditional use is not established within the one (1) year period, the conditional use permit shall be void, and the applicant shall be required to submit a new application for review and approval subject to the then existing provisions of this Code and the General Plan.
