2 A new screen will open

Create New Account

Email

[Submit](#)

If you ever have had a membership or registered for a program with us, you already have an account. You need to enter the email you gave us and "Submit".

If you haven't, just set up a new account and skip to 6.

3 A new screen will open

Create New Account

An Account Using The Given Email Address Already Exists!

[Click Here To Reset and Retrieve A Temporary Password For This Account](#)

It says an account exist with that email. It's ok! It's your account. This means you entered the right email.

4 A new screen will open

Retrieve Password

Email

By clicking submit, your password will be reset and emailed to you.

[Submit](#)

Re-enter the email and click submit

5 A pop up will appear saying your temporary password has been emailed

Click "Close" and go to your email

6 Go back to the Online Registration page. Click on **Account Login**

7 A new screen will open

Login

☐ Remember me

[Sign in](#)

[Forgot Password?](#)

[Create a New Account](#)

[Change Password](#)

[Change Login Email](#)

Enter the password from the email

8 A new screen will appear asking you to enter a new password and then confirm it.

When you are done you will get "Your Password Has Been Successfully Changed"

SportsMan

Your Password Has Been Successfully Changed!

[Close](#)

You are now ready to use Online Registration
