ART CLASS

Let your young artist explore the world of color, texture, and design in a fun, hands-on class! Over three days, kids will experiment with different art techniques, creating unique masterpieces to bring home and proudly share.

This fun and interactive class inspires creativity, helps develop artistic skills, and encourages self-expression through engaging activities. Whether your child loves to draw, paint, or craft, they'll have the chance to discover new ideas and create something new. No experience needed—just a love for creativity! Please have your child wear clothing that can get messy, as we'll be using paint, glue, and other creative materials.

Come make, explore, and design something amazing!
