## AFTER SCHOOL CLASS

Snapology's STEAM Club is an after-school program designed to spark your child's creativity and passion for STEAM, robotics and coding through hands-on learning. The club meets once a week in six-week sessions. Each session is packed with unique and exciting activities, including engineering challenges, innovative builds with LEGO® bricks, and engaging robotics and coding projects. Your child will have loads of fun as they learn teamwork, problem solving and more while they make new friends and tackle a new build each week.

*\*This is a build & destroy class. LEGOs™ will not be taken home.*
