POWER (Rod Olsen – Interim Power Director, rolsen@lehi-ut.gov)

- **Accomplishments**

- Crews are working on the Snow Springs Residential development.
- Crews are working on the 1000 East overhead line rebuild.
- Met with engineers regarding electrical design for the Micron Project.

- **Emerging Issues**

- Pursuing the 2100 North feeder line.
- Obtaining and pursuing land for the city's new substation.

Subject: Administrative Report Reminder

I believe I've already received most of your weekly reports, but consider this email your reminder to send it in to me this morning since Derek is out of town, if you haven't already.

Thanks!

Brenn
