April 2015

From Mayor Wilson Communication and City Happenings

It's time to start thinking about spring and what we are going to accomplish this summer. More flowers or fewer flowers, garden or no garden, xeriscape or water garden. These are all good questions, and a lot of it depends on how much time we have and how much water is available. I personally love the color of lots of flowers, but they take lots of time and water. I'm thinking this year, since water is going to be an issue, I will make changes to get by with less water and color. I would encourage all to take a look and see what you can do to use less water this year. Take a look at your outside water timers to make sure they are working properly. Lawns and flowers do better with proper watering.

We also have our Lehi City Expo coming up on April 30. If you haven't been before, plan on coming to meet with all our departments. There will be demonstrations, treats, and gifts. There will be lots of great ideas on how to conserve energy, water, and other utility bills. There is also lots for the kids to do. I can say that if you come once you will come back. What's better than an event that is free and exciting, with lots

of gifts and food? Take the opportunity to tell your neighbors to come too, and let's make this as huge of a success as it's been in the past!

Another item I want to tell you about is Beautify Lehi Month, which starts on April 1. Take a look at your home and neighborhood and see if there is something that you can do to make a difference. Sometimes doing one little thing can make the world a better place!

To help beautify Lehi, remember that the green recycling cans are now being picked up. For those who do not have a green waste bin, just call the city office to arrange for one. What a great way to save the environment and save the city money. You can also come to the city and pick up your free dump pass. This gives you the opportunity to get rid of all the old stuff around the house. Sorry, husbands and kids are not accepted!

Beautiful Lehi

Take Pride in Our Community

Beautiful Lehi Week is becoming Beautiful Lehi Month with service opportunities and events throughout April. Join residents, city employees, and elected officials as we take pride in our community.

Mark your calendar for these great events:

- **April 11-Utah County Household Hazardous Waste Collection Day:** Get rid of old or unused chemicals at Provo Town Center Mall from 9 a.m. to 3 p.m. Visit www.UtahCountyHealth.org/hhw for more information.
- **April 18-Community Cleanup Project:** Join us at Olympic Park, beginning at 9 a.m., to fill in low spots on the field. Bring a wheelbarrow, shovel, and gloves if you can. RSVP online.

You can also get involved by signing up for an individual, family, neighborhood, or large group project. Visit www.lehi-ut.gov/discover/beautify-lehi-week for more information.

We're Moving!

Buildings, Planning, and Engineering

The current City Hall building (153 North 100 East) is being renovated and all city functions currently housed on 99 West Main Street will be moving to City Hall. The Mayor, Administration, Human Resources, and Prosecution have moved to the second level. The Buildings Division, the Planning Department, and Engineering Departments plan to complete the move by the end of April. We appreciate your patience as we make the transition. If you have questions, please call our main line at 385-201-1000.

Lehi City Updates Phone Numbers

New Numbers in Use Now

You may have noticed recently that Lehi City's phone numbers have a new look. As Utah grows, the state is beginning to run out of phone numbers with the 801 area code. As a result, Lehi City offices are using the new 385 area code in order to maintain consistency across city departments.

What does this mean for you? You can find

our new 385 area code numbers online and on official city communications. If you forget to use the new 385 area code numbers, don't worry! Our old 801 area code numbers will continue working.

We appreciate everyone's cooperation and patience as we make this transition. If you have any questions, you can contact the city at (385) 201-1000.
