

IN THE JUSTICE COURT IN AND FOR LEHI CITY STATE OF UTAH, COUNTY OF UTAH	
Lehi City, Plaintiff, vs. _____, Defendant.	ACKNOWLEDGEMENT OF NOTICE OF ENHANCEMENT AND ADDITIONAL CONSEQUENCES Case No. _____ Judge: Morgan L. Cummings

I understand that I have been charged with one or more enhanceable offenses in the above-captioned case. I acknowledge that the Court has informed me of the enhanceable nature of my particular charge(s), including but not limited to: (1) increased fines for subsequent qualifying offenses; (2) increased jail time for subsequent qualifying offenses; (3) other increased sentences for subsequent qualifying offenses; (4) increased levels of offense (e.g., being charged with a Class A Misdemeanor when the charge would have otherwise been charged as a Class B Misdemeanor, up to and including being charged with a Felony) for subsequent qualifying offenses; (5) the imposition of supervised probation for subsequent qualifying offenses; and (6) additional treatment and other probation conditions for subsequent qualifying offenses. I understand that these enhancements may even apply, in some situations, if I enter into a plea in abeyance agreement.

In addition to the foregoing, I also understand that if I am convicted of the charge(s) filed against me, I could suffer additional consequences beyond what the Court may impose. I acknowledge that the Court has informed me of these potential additional consequences, including but not limited to: (1) being unable to obtain or keep some licenses, permits, and jobs; (2) being unable to obtain or keep some benefits, such as public housing and education; (3) being unable to own or possess a firearm or other weapons, including ammunition; (4) incurring additional insurance prerequisites and premiums; and (5) being subject to potentially negative immigration consequences. I understand that these additional consequences may even apply, in some situations, if I enter into a plea in abeyance agreement.

I understand that the law may or may not provide ways to obtain relief from some of the aforementioned enhancements and additional consequences, and I acknowledge that I have been encouraged by the Court to consult with a qualified attorney to address any questions I may have.
