JULY 2016

From Mayor Wilson

Don't Let Summer Pass You By

It's that time of year when the BBQs are heated, the fireworks are lit, and the celebrations begin. I think of the family parties and reunions

and being with those lost relatives that I have tried to forget. I love the Lehi Round-Up Rodeo and parades, watching the kids eat ice cream and going to the swimming pool. It's just a great time of year.

I hope everyone had the chance to go to the Round-Up celebration. Several hundred volunteers helped make it all happen. To those that helped in any way, thank you. Volunteers are what make any organization or city work. You don't have to be a rocket scientist to volunteer; you just need to be breathing and willing to serve. Everyone needs help sometimes. It means a lot to have someone step forward and help.

July brings two fun holidays: Independence Day and Pioneer Day. Happy Birthday, America. Be grateful to live in a country that is actually free to enjoy the blessings that other nations only talk about. We are in an election year, and politics can get pretty bad. Choosing the right candidate can be difficult, but we do have the opportunity to vote for the person we feel should be our new leader. I've decided that if the Lord loves a sinner,

politicians will get squeezed to death. Learn about the candidates and vote. We all have that obligation.

Remember that fireworks are fun but can be dangerous. Parents, be careful with your small children around fireworks. Burns are not fun for anyone. Every year we have individuals that want to be the neighborhood good guy and purchase illegal fireworks. Every year the fire department is called to several fires because someone's house or property is on fire. Then, the good guy gets a bad ticket from our police department. Figure out what is right and then do it.

I'm sure you have seen the orange cones on our streets. Our streets department is improving old roads and sidewalks and constructing new ones throughout the city. They are working hard to make our city safer. Detours can be inconvenient, but be grateful you live in a city that cares enough to fix our roads.

Parks get crowded this time a year and parking is always a problem. Please, clean up your garbage from play and picnics in the park. The next person will feel better about using our facilities. We can all get along better if we just follow a few simple rules.

I hope we all have a safe and enjoyable summer. Don't let summer pass you by with regrets because you didn't do something that's been on
