Where: Mountain Point Medical Center – 3000 N Triumph Boulevard, Lehi, Utah 84043
Why Cover This Story –A great educational event involving Lehi Fire & Police Departments

LEHI CITY TO SUPPORT HOSPITAL COMMUNITY CELEBRATION
Lehi Fire and Police Departments to Hold Demonstrations

Lehi, Utah | May 28, 2015 – After much anticipation, Mountain Point Medical Center in Lehi is almost ready to open its doors. Prior to the official opening, the hospital is hosting a community celebration on Friday, May 29 from 1:00-6:00 that will include appearances by the Lehi Fire and Police Departments.

The Fire Department will be bringing fire and EMS apparatus that families can see up close.

The Police Department will be educating the public about bike safety. With more and more people using bikes for recreation and transportation, it is becoming vitally important for both bicyclists and motorists to observe safety rules involving bicycles. Chief Darren Paul stated, "As a department, we are committed to enhancing neighborhood and community safety by raising awareness and promoting bicycle safety."

As a part of this education, the Police Department will also be doing helmet checks and giving citizens an opportunity to participate in a skills course where officers will demonstrate safe bicycle practices.

Jason Walker, the Lehi City Administrator said, "Lehi Fire and Police Departments enjoy being involved in community events as it gives them the opportunity to interact with and educate the public. The chance to partner with the new hospital in Lehi City borders only adds to our excitement for this event. We hope the whole community comes out in support."
