LEHI'S HUTCHINGS MUSEUM TO HOST STEAMPUNK NIGHT

Variety of Activities to Highlight Victorian Era

Lehi, Utah | November 7, 2014 – The Lehi City Hutchings Museum is set to host Steampunk Night on Saturday, November 15, 2014. The event will take place from 5:00 pm to 8:00 pm.

What exactly is steampunk? While it's difficult to define, steampunk is a fantasy genre based on the steam and gear-driven world of the Victorian era. Steampunk is featured in many popular books and movies like Jules Verne's *20,000 Leagues Under the Sea* and Disney's *Atlantis*, according to the Hutchings Museum.

To celebrate Steampunk Night, the museum will be decked out to highlight the Victorian era. The museum is excited to highlight the Victorian era since it is the time that museums became popular. The event will include photo backdrops, activities, and live owls. Museum visitors are encouraged to wear costumes to add to the magic of the night.

The Museum relies heavily on volunteer staff to assist with their special events, and Steampunk Night is no different. Individuals who are interested in becoming part of the adventure should contact the museum at 801-768-7150.
