## LEHI RECEIVES DISTINGUISHED BUDGET PRESENTATION AWARD

City Recognized for Outstanding FY 2015 Budget

**Lehi, Utah | November 21, 2014** – Lehi City has been recognized by the Government Finance Officers Association of the United States and Canada (GFOA) with its Distinguished Budget Presentation Award for its FY 2015 budget. This is the 15<sup>th</sup> consecutive year Lehi has received the award.

The GFOA said the following in its announcement of the award,

The award represents a significant achievement by the [Lehi City]. It reflects the commitment of the governing body and staff to meeting the highest principles of government budgeting. In order to receive the budget award, [Lehi City] had to satisfy nationally recognized guidelines for effective budget presentation. These guidelines are designed to assess how well an entity's budget serves as:

- A policy document
- A financial plan
- An operations guide
- A communications device

Budget documents must be rated “proficient” in all four categories, and the fourteen mandatory criteria within those categories, to receive the award.

“This is a great honor that we have been fortunate to receive for over a decade,” said Lehi City Administrator Derek Todd. Todd continued, “It truly represents a team effort to receive this award, especially among our finance and administrative staffs.”

Lehi City prides itself on transparency, and each fiscal year’s budget document is intended to help Lehi residents better understand city operations and how their tax dollars are spent.
