November 2016

From Mayor Wilson Special Days are Made for Remembrance

Fall brings so many wonderful holidays. One of those holidays that I consider to be very special is Veterans Day on November 11. I couldn't be more grateful for the men and women who have given their lives to keep our country free. It doesn't matter to me the war in which they have served or conflict, past or present, we owe our military everything.

We will have the opportunity to observe Veterans Day as a community. Join us for a special program on the freeway overpass on 500 East on November 11. Please come and give your support to the fine servants who live in our community.

November also brings elections. Please vote on November 8 and let your voice be heard. Take advantage of the freedom for which so many veterans have fought. As you know, the leadership of this country is up for grabs. You may not agree with the current or future politics of this country, but this election is about more than the presidential candidates. There are many local positions, like governor and legislators, which we need to support with our vote. Choosing not to vote is a form of voting, but it may not be

the one best suited for you and our country.

Now, just a couple of reminders. First, when you see a sign that reads, "Road Closed," that's what it means. A few of our citizens have received a Certificates of Achievement from our police department for going through these signs. Unfortunately, it comes with the price of a ticket.

Second, we are seeing too much speeding in our neighborhoods. It truly is not worth the price of a ticket or the loss of a life. Slow down and pay attention. Stop texting or reading emails as you drive, with a beverage in your hand and a sandwich in your mouth. Traffic is bad and it's not going away. Let's just be cautious.

Enjoy the coming holidays - Election Day, Veterans Day, and Thanksgiving. We all have blessings that we sometimes forget, and special days are made for remembrance. Don't be afraid to look around you and count the blessings in your life. Even those sweaty-faced kids that sit at your table or the tuna sandwich that's on your plate is more than some people will ever have. Enjoy what you have, appreciate what you don't, and be grateful for where you live.

"Remember frequent naps prevent old age, especially if you take them while driving."

-Mayor Bert Wilson

Two New Trails in Lehi

Jordan River/Murdock Connector Trail

A trail is being constructed to connect the existing Murdock Canal Trail to the Jordan River Parkway Trail. The completed trail will run along Clubhouse Drive, Garden Drive, and Desert Forest Lane. The trail uses a combination of widening existing sidewalks and installing new pavement. When finished, it will allow users to access both trails and other locations in between, including the Lehi Frontrunner Station, the Thanksgiving Point Golf Course, and various retail stores and restaurants.

Work on the trail has begun. The portions that run along Clubhouse Drive and Desert Forest Lane down to the Jordan River Parkway Trail are anticipated to be completed by the end of November. The section that runs along Garden Drive is part of another project and will be constructed at a later time.

No road closures are anticipated. The shoulders will be used for construction and drivers can expect to encounter lane shifts.

The schedule is subject to change due to weather or material availability.

If you'd like to receive email updates on the project or have any questions or concerns, call the public information team at 800-948-4002 or email shenriksen@utah.gov

Lehi Historic Utah Southern Rail Trail

This project will construct an extension of the Rail Trail from 300 West to 300 East in Lehi and run alongside State Street and the existing rail lines. The trail will be a 10' wide multi-use trail.

Work is anticipated to begin in March 2017, weather permitting.

If you'd like to receive email updates on the project or have any questions or concerns, call the public information team at 801-616-0649 or email sheri@ja-today.com.

Miss Lehi

Ready, Set, Read!

Hi my name is Jacki Thacker and I am Miss Lehi 2016. I am the daughter of Brad and Jan Thacker and I have lived in Lehi my entire life. I graduated from Lehi High School in 2015 where I was a member of the cheer squad as well as the dance company. I now attend Snow College and I am majoring in Elementary Education.

As a part of the Miss America Organization, I get to promote a service platform throughout my year as Miss Lehi. My service platform is entitled Ready, Set, Read! My goal is to improve literacy rates and help children learn to love reading. A major element of a child's love for reading comes from how often their parents read to them. Throughout the year in the "Lehi Ledger," I will provide statistics and tips to help parents see the importance of reading to their children and thus help the children of Lehi be proficient in and develop a love for reading.
