## From Mayor Wilson

### Get Out There & Get Involved

Well the primary election is over and we're on to the November General Election. We had about a 19 percent turn-out to vote in this primary

election. This is a considerable increase from the past election; but let's face it, this is pretty bad considering that the ballots were sent to our homes and no postage was required. What's the deal? Everyone has opinions about how things should be, but not everyone takes the time to vote. We now have 6 candidates to choose from. I would encourage everyone to study them and vote. It doesn't take a lot of time, but it means everything if you vote and get people in who support your way of thinking.

We have Heritage Day coming up on Monday September 7 from 2:00-7:00 p.m. at Wines Park and I would like to invite everyone to come. There will be a parade, special awards ceremony, car show, free tours of historic Wines Park area, great games, entertainment, food, and shopping. There will also be a gift-o-rama with free tickets available. The Lehi Historical Society and Archives has worked hard to make this another spectacular day for all. I might say it will beat sitting in your recliners and watching the kids play video games.

By now you have probably seen the roads being sprayed with oil and gravel being placed. The City Streets Division will let you know when it's okay to be on it and it doesn't take that long to dry and is a great thing for our roads. Also, the Streets Division is putting in new sidewalks in several areas of town to keep everyone as safe as possible. Please be patient as we continue to grow as the needs are much greater than the time and money.

Also if you haven't noticed, we have lots of good places to eat in our City. Take your family out and try some of the different foods at Thanksgiving Point or even Main Street. You can go to a different one every day for a month. I'm not saying that zucchini squash and fresh tomatoes are bad, but a change would be nice. Spend your money while your family can enjoy it with you or die and let them fight over it.

Enjoy the rest of the summer and take time to do something that builds memories. You'll forget the payments, but you'll never forget the memories

Thanks to all who do so much to make Lehi the best place in the world to live.

Mayor Bert Wilson
