Uniforms

Kindergarten through 4th grade pay to rent a singlet as part of their registration fee. This singlet must be washed and returned at the end of the season or no later than January 3rd. 5th through 8th grade do not use a singlet for their program.

Tournament Information

During the fall season we hold two inter-squad tournaments. The first is to help the participants work on the skills they have learned up to that point. The second tournament is the last day of the season. We will distribute a placement or participation medals at this tournament. Match-ups will be determined by weight. This means a younger child could potentially wrestle an older child. There will not be any tournaments for 5th through 8th grade.
