**November 2015**

## *From Mayor Wilson*

**Appreciate More, Whine Less, and Give Without Expectation**

I recently attended a funeral for the fourth time in the past two weeks. I'm starting to think that I'm getting my exercise by going to funerals

of those that died. As I attend these memorial services I find myself thinking about the great things these people have accomplished. Their volunteer efforts with various organizations have cost a considerable amount of personal time and resources. Our city would not be the same without them. Thank you to those families who have shared their family members to make Lehi a better place to hang your hat.

This last month I also had the opportunity to visit some of Lehi's brightest at Willow Creek Middle School and Lehi Jr. High. What a great time I had visiting with these eighth and ninth grade students in the classroom. The ninth grade students at Lehi Jr. High have been working on a program called "Reality Town." The program requires over 100 volunteers and untold planning hours to make it work. The kids came away with a dose of reality. Money doesn't grow on trees; no matter how much you make, your spouse can spend it; education is important; and expensive cars don't pay the bills.

It's too bad that some of us grownups didn't have the chance to learn from the same rules. Youth today are smarter and have a lot of opportunities that we old folks didn't. These kids have a lot on the ball. We are in good hands as there is a brighter tomorrow with these kids leading the future. We should all be setting better examples for them to follow.

There are many things coming in November. First, the Municipal General Election is on November 3. If you want a say in what happens, check the boxes on your mail in ballot and let your voice be heard. If you haven't registered or have lost your ballot, you can come to City Hall and vote provisionally on Election Day. Take the time to study the issues and the candidates and vote. It's such a small thing to do for the opportunity to be an American.

Next, don't forget about Veterans Day on November 11. There will be a special program at the top of the 500 East overpass from 8:00-10:30 a.m. Come show your appreciation for those who have sacrificed much for the freedoms we enjoy.

Finally, Happy Thanksgiving. Eat lots, watch some good football, take a nap and think about how much time mom spent in the kitchen and be grateful we have moms to cook for us.

Mayor Bert Wilson

"I would hope that every citizen in our community and in surrounding communities will take the opportunity to attend the Lehi Family Week activities," Mayor Wilson said. "Memories are made up of the things we do and who we do them with, not the things we forgot to do or wish we had done."

The kickoff event begins on November 22, at Willowcreek Middle School with featured speaker Jason Hewlett. Jason's show of music, comedy, parody, and impressions has received numerous honors and is uniquely G-rated and family-friendly. The event begins at 7 p.m.
