This merit badge class will be a two day course and scouts will be able to pass off the merit badge with the aid of professional lifeguards and staff.

Classes will begin promptly at 7:00 a.m. The Lifesaving Merit Badge will require the scouts to be dressed with denim jeans or some type of pants with long pant legs, a shirt that they can get into the swimming pool with and a pair of goggles, as they will swim underwater.

Scouts must be able to complete a 400 yard swim or they will receive an incomplete. Scouts must bring their own blue cards. Scouts are required to bring a swim suit, with a towel and goggles. Any scout masters or assistants are welcome to help and would be appreciated.
