WEIGHT TRAINING

This class will provide the proper guidelines necessary to make changes in your fitness level. This course lasts for three months, during which time you will be taught different techniques of strength training. The first week will be geared to finding out where your fitness level is through different assessments, including strength, flexibility, cardiovascular and body fat. Attending this class regularly will help you integrate the healthy lifestyle fundamentals into your life. You will see positive results, meet new people with similar goals in mind, and find joy in exercising.
