Lehi City, Utah | 153 North 100 East | (385) 201-1000 | [www.lehi-ut.gov](http://www.lehi-ut.gov)

**FEBRUARY 2020**

## *From Councilman Paul Hancock*

*Lot's to Love About Lehi (It is the Month of Valentines After All)*

As we dive deeper into the new year and the new decade, especially with this being February, I wanted to take

a minute to focus on some of the great things that are going on in and around Lehi. It's so easy to focus on negative things so I wanted to highlight a few of the committees that, with resident volunteers, are doing some amazing things to make our city better.

### **Environmental Sustainability Committee**

This is a new committee started last year and it is already being tasked with some very important things.

### **"No Idling" School Project**

The project assesses the PM 2.5 air quality standard of every elementary school in Lehi (including all of the charter schools) during drop off and pick up hours where the children enter the school while cars sit and idle. The results of this study should be done in early summer at which point the results will be shared with the individual schools, the school district, the city council, and the residents.

### **Recycling Education**

We also just recently signed a new contract with Waste Management for our trash and recycling needs. The cost to us as a city (meaning us as residents) will vary based on how well we do with getting the correct things in our recycling bins. This is another opportunity for the Environmental Sustainability Committee to engage in public outreach to help us know what can and more importantly CAN NOT be placed in our recycling bins.

### **Parks, Trails, and Trees Committee**

Lehi has for a number of years had access to some amazing paved trails with the Murdock Canal Trail and Jordan River Trails running through our city. These trails are even maintained during the winter months providing year-round accessibility, which is fantastic. Over the course of the past several years the city has undertaken the development of some mountain biking/hiking trails in the hills of Traverse Mountain with the first trail loop (about 5 miles) being opened last year. This spring there will be another ~4 miles added to this trail system. The thing that I think is fantastic about what has been accomplished thus far is that the trails built to this point and planned for this spring have been done through grants with matching dollars from the city and/or businesses that are part of our community.

## *Upcoming Events*

- 2/11** City Council Meeting  
7 p.m. @ City Hall
- 2/13** Planning Commission  
7 p.m. @ City Hall
- 2/17** President's Day  
City Offices Closed
- 2/25** City Council Meeting  
7 p.m. @ City Hall
- 2/27** Planning Commission  
7 p.m. @ City Hall
- 2/29** Lehi Library Gala  
7 p.m. @ Willow Creek Middle

These are just a few examples of the great work being done across the city by our city staff and resident volunteers. I feel blessed to call Lehi home for my family and look forward to another amazing year in 2020 that we'll build together!

- Paul Hancock

# Lehi Photo Contest

March 2-April 6, 2020

Do you think Lehi is a beautiful place to live? It's time to show everyone what it's all about. Lehi is sponsoring our annual photo contest. Submit your photos from March 2 -April 6, 2020.

Now is your time to let loose your creative side and capture the beauty of our community. Whether its life, landscape, or landmarks, get your cameras out and show us what you love most. Find out more at [www.lehi-ut.gov](http://www.lehi-ut.gov).

# Literacy Center

## Free Tutoring

Lehi Lehi Rippy Literacy Center offers a great program for Lehi city residents. After-school reading classes for children grades K-3rd and math classes for children grades 1-4th. Please bring your children to the Literacy Center during the registration dates for an evaluation and placement. All classes are free.

### Dates to remember:

# Round-Up Parade

"Glitter, Glitz and Glam..."

Calling all Lehi float builders (experienced and novice). It's time to get those creative juices flowing! Lehi Roundup will be here before we know it. Find all the information about entering a miniature float in this year's parade at [www.lehi-ut.gov/roundup](http://www.lehi-ut.gov/roundup).

A Miniature Parade planning meeting will be held for all float, and/or committees. There will be two classes offered-Tuesday, March 5 and Wednesday, April 14 at 7 p.m. at the Lehi Legacy Center. Please let your float chairperson know so that they can plan to attend. The meeting is a good time to ask questions, review the parade rules and guidelines, register ideas, and receive information to assist with the float building process. If you have questions call Anna Standage (801-380-5956).

# Streets

## Parking & Snow Removal

Please be aware that parking on city streets during or for 24 hours following a snow storm is prohibited by Lehi City municipal code. In addition, from November 1 to March 30, parking on a city street is prohibited from 10 p.m. to 7 a.m.

Lehi streets division will prioritize snow removal on city streets during and after a storm. On average, the division plows 4,000 lane miles of road per storm. The streets division will begin with roads that receive the most traffic and then plow roads in residential neighborhoods.
