Monday-Friday
8 a.m. to 6 p.m.

Intermountain's Mobile Mammography

It's never been easier to get a mammogram when we bring specialists to you. Women should have an annual mammography beginning at age 40 — and should continue screening for as long as they're healthy. Breast cancer is not only treatable, it's curable if it's caught early enough.

On Saturday, January 9, 2021, Intermountain's confidential mobile mammogram facility will be at:

Lehi Legacy Center
123 North Center Street
Lehi, Utah 84043
Saturday, January 9, 2021

Starting with a 30 minute screening, successful detection, treatment and cure have never been better. To learn more, or to schedule an appointment:

Call Call Tina at 385-201-2309
