8. A safe distance, a minimum of 50 feet from any building, structure or other combustible material shall be maintained. Exception: if the pile is less than 3 feet in diameter and less than 2 feet high, the minimum distance shall be 25 feet from structures or other combustible materials. Such burning shall not pose a threat to Wildland-Urban Interface lands.
9. If the fire is reported to be a nuisance it shall be extinguished immediately.
10. This permit is non-transferable to another person or property.

Failure to comply with all conditions of this permit may result in a citation being issued to the applicant/property owner or revocation of this permit.

This burn permit shall NOT be used by contractors for the use of clearing land for development of residential, commercial or industrial projects.

Absolutely No burning of manufactured items such as: tires, construction materials, coated wire, plastics, household trash or rubbish. Oil or fuel products cannot be used to start fires or be included in materials to be burned. Items not grown on the property cannot be burned.

A burning permit is subject to the laws of the State of Utah and Lehi City and the conditions stated upon or attached to this permit. The Lehi City Fire Marshal reserves the right to refuse, revoke or postpone the permit when the fire department deems it necessary to prevent danger to life or property. An open burning permit shall give permission to burn only under prescribed conditions. The permit shall in no way relieve any individual from personal liability due to neglect or negligence. Any person responsible for the existence or spread of fire necessitating suppression action shall be liable for the payment of costs.
