# GYMNASTICS CLASS DESCRIPTION

**Class Progression - Students may enroll in Level 1 classes without a placement evaluation. For Levels 2 and above a placement evaluation or coach recommendation and transfer form is needed to register.**

**Parent and Child Class (2+ year old)** Parents participate in the world of the toddler with movement, music, and obstacle courses, combined with instruction. The stage is set to enhance key areas of motor development, while stimulating the mind through highly creative activity.

**3 & 4 Year Old Class** Enhances emerging gymnastics skills in an energetic and creative environment. This class is a wonderful place for first time experiences with a teacher and peers.

**4 Year Old Class** Enhances emerging gymnastics skill in an energetic and creative environment. Children refine basic skills that reinforce a heightened aptitude for all physical sport activities. This class offers greater challenges to older preschoolers.

**Girls Level 1 Class** for Kindergarten girls **age 5** and up who want to start gymnastics at a recreational level. These athletes will participate in basic skill progressions on all four Olympic events: vault, uneven bars, beam and floor. Students will benefit from increased physical activity and improve in such areas as strength, flexibility and coordination while learning the basic gymnastics skills.

**Girls Level 2 and Girls Level 3 classes** will focus on more advanced fundamentals with emphasis on form and technique. Students will also complete flexibility and strengthening exercises for the conditioning required to complete skills safely. **These classes must have a placement evaluation or coach recommendation and a transfer form is needed to register.**

**Boys Level 1** for Kindergarten age **5 boys and up** who want to start gymnastics at a recreational level. These athletes will benefit from increased physical activity and improve in such areas as strength, flexibility and coordination, while learning the basic gymnastics skills. They will use all 6 Olympic gymnastics events that relate to boys gymnastics.

**Boys Advanced Gymnastics** will focus on more advanced fundamentals with emphasis on form and technique. Students will also complete flexibility and strengthening exercises for the conditioning required to complete skills safely. **This class must have a placement evaluation or coach recommendation and a transfer form is needed to register.**

**Tiny Tumblers** Specifically designed for **4 – 5 year old** preschool tumblers. Preschoolers will learn the foundation of age appropriate tumbling skills with technique and body position.

**Beginning Tumbling** Kindergarten gymnasts **age 5** and up will learn entry level tumbling.

**Intermediate Tumbling Prerequisites: Passed Beginning Tumbling or placement evaluation and a transfer form is needed to register.** Students will build confidence and trust.

**Advanced Tumbling Prerequisites: Passed Intermediate Tumbling or placement evaluation and a transfer form is needed to register.** Students learn to use their strength and fully showcase tumbling skills.

**Ninja Classes are offered for co-ed ages 4 – 7, boys ages 8 – 11, girls ages 6 – 11.** Classes are designed to build strength and agility through obstacle courses, tumbling, balance and vaulting skills. This course is great for building core skills. **Level 2 Ninja Classes must have a placement evaluation or coach recommendation and a transfer form is needed to register.**

**Back Handspring Beginning/Intermediate 5 – 11 year old** Beginning class athlete must be able to do a bridge. **Intermediate class prerequisite students must have a placement evaluation or coach recommendation and a transfer form is needed to register.**
