

Develop a Cutting Edge, Family-Centric Community

OFFICE OF THE CITY ADMINISTRATOR

Provide additional training opportunities for employees and leverage technology to provide better quality of life for residents.

COMMUNITY DEVELOPMENT

Implement smart growth principles for available land left in Lehi.

ECONOMIC DEVELOPMENT

Create a Downtown Lehi Main Street Revitalization Program.

ENGINEERING

Construct the Dry Creek Pl Lake with amenities for water and recreation resources.

FINANCE

Improve the City's long-term financial security through stronger financial policies and communication.

FIRE

Deliver a high level of professional service to the community while enhancing public education and community relations.

INFORMATION CENTER

Offer a one-stop service for the community that is professional, polite, and progressive.

JUSTICE COURT

The Court will work with other stakeholders to improve safety in the City.

LEGAL SERVICES

Safeguard the rights and interests of Lehi families by (1) vigorously prosecuting crime, (2) managing claims and litigation to protect tax dollars, and (3) defending public policies advanced by Lehi's elected representatives.

LEISURE SERVICES

Implement cutting-edge, family-centric recreation opportunities for residents.

PARKS & FACILITIES

Maintain high standards at City parks, cemetery, and facilities by utilizing natural resources and volunteerism.

POLICE

Enhance the Police Department's community involvement.

POWER

Improve the existing programs and implement new cutting-edge technologies for the customer and community.

PUBLIC WORKS

Utilize technology based Asset Management tools to collaborate amongst the Public Works Divisions to be proactive in managing City infrastructure.
