REGISTRATION HOURS
 Monday-Friday
 8 a.m. to 6 p.m.
 or register online.

Parents and Youth Entrepreneurs,

We have some important information and goals to share with you for this market. The purpose of this market is to give your youth the opportunity to experience a day in the business world as an entrepreneur and share their talents with our community. We are hoping this experience will be used as a learning opportunity where they can evaluate their product and their business. The goal is not to yield a high amount of profit, but to see how well or poorly their product sold. Was pricing set too high or too low? How did they like their booth? How well did they present their product? Through this real-world business experience children will be given the opportunity to practice their communication, math, and presentation skills.

We ask that the adult helpers allow the youth to shine! Sit behind them as a support but let them check-in and do all transactions for their booth by themselves. If the child would like to shop around, the adult may help them at their booth while they are shopping. Also keep in mind this is not the venue for MLM businesses.

Please take time to decorate your booth and make it look the best it can! This will be the only decoration in the gym and people will be drawn to your booth by the attractiveness of the presentation of your business. You will have a 9 foot table and limited space behind the table to decorate or have items to sell.

We are so excited to have you be a part of this event!!
