Parent(s) or guardian(s) of youth sport participants will be required to watch the FANS video and answer a few questions. A passing score is required in order to register your child for youth sport leagues. Those who have not participated will not be allowed to register.

At the end of the program the parent/guardian will receive a unique number that is valid for 12 months. The number is required when registering for any youth sport. The number will cover all children in the household. The course must be completed every 12 months.
