GIRLS BASKETBALL CAMP

The girls basketball camp will be run by Skyridge High School's Girls Basketball Coach, Shaylee Nielsen. The camp will focus on the fundamentals of ball handling and individual skills associated with game play. The campers will work on their ability to comfortably move with the ball and their ability to attack once they have the ball.

All participants should bring their own basketball to camp each day!

We will also focus on fundamental footwork using individual drills and small sided games in order to give campers as many reps as possible.
