& FUN!

SNAPOLOGY LEGO CAMP

Class 1: Ages 8-14yrs. Combat Robots

Do you think your child can build the strongest and most agile robot? Can their robot win a head-to-head combat mission? Your child will discover basic strategies for building sturdy structures and then apply that knowledge to build a robot for friendly competition. In this program, your student will work in teams to design remote control robots and compete with their fellow campers to complete a number of challenges. Their engineering, building and driving skills will be put to the test! They should be prepared to have tons of fun!

Class 2 : Ages 7-12yrs. Creature Creator Robotics

In Snapology's Creature Creator Robotics class, your animal lover will create their own animal inspired robotic models. Students will learn about gear ratio, sensors and simple machines as they build insects, dolphins, gorillas, and much more. Campers will learn the fundamentals of programming as they use tablets and pseudo coding to program their robotic models and sensors to perform various activities. Your child is sure to have a wild time as they build, learn, and play.

Class 3: Ages 4-6yrs. Kinderbots Robotics

Children will begin to explore the world of robotics as they build simple models that teach the fundamentals of robotic design. Campers will learn the fundamentals of programming as they use tablets and pseudo coding to program their robotic models and sensors to perform various activities. Whether learning about sensors while building drills and magic wands, or discovering ways that gears and pulleys create movement while building helicopters and robotic dogs, your child is sure to have a great time.

REGISTRATION

Register at the Legacy Center Registration Office during normal business hours or online at www.lehi-ut.gov/legacy-center

Registration is non-refundable and non-transferable. Space is limited so register today.
