HAPKIDO CLASSES

Hapkido is a Korean martial art of tactical self defense and combat with the focus of efficiently and effectively using your opponent's aggression to your advantage. Students develop self confidence, self control and preservation for self and others. Instruction will increase fitness, strength, flexibility, balance, agility, coordination and respect for self and others.

Hapkido classes are run by Intermountain Hapkido Alliance. Elements of instructional development include: evasive movements, blocking, trapping, deflecting, kicking, striking, break-falls and rolls, joint-locks, throwing, grappling, pressure point and vital point anatomy. Hapkido is a true martial art, NOT a competitive sport or tournament style karate.
