UTAH SCHOOL OF MAGIC

Get ready to take an amazing adventure into the exciting world of magic. Learn how to teleport objects across the room, find hidden magical treasures and levitate a cup of popcorn just to name a few.

In this course students will learn the three parts that make up a magic trick with a special focus on presentation. More importantly they will discover the real secrets to becoming a true magician as each lesson reveals an important life skill to help build their confidence and communication skills.

Each lesson comes with a custom magic prop, a top secret file folder, and a secret word to unlock bonus videos in an online video vault. This life changing program builds self-confidence and develops critical communication skills in a fun and unique way that is guaranteed to unlock your child's potential and impact the rest of their life. Students will leave class with ALL materials and access to even MORE online materials!

If you participated last year, come join us again and learn ALL NEW tricks!!

Parents of children aged 7 and younger:

For the safety of our younger participants, parents who are picking up or dropping off children aged 7 and younger must do so directly from the classroom.
