TIME See chart

FEES Residents: \$100

..... Non-Residents: \$135

INCLUDES... .6 weeks of
instruction

AFTER SCHOOL CLASS

Class 1: Mini Figure Mania

(Ages 6-8 yrs.)

Description: Building with LEGO® bricks is often about one thing; making incredible constructions for the mini-figures that get to live and use them. This Snapology program will provide a structure for students to make some truly wild creations; from engineering challenges like making the tallest towers or fastest car, to ones that require more imagination and creativity, like building a city.

Activities your student will do: Mosaic, 3-D Mini-Figure, Tower Build, Race Car Build, Bridge Build, and Mini City Build.

Class 2: Prehistoric Creatures

(Ages 8-12 yrs.)

Description: Snapology's Prehistoric Creatures Robotics focuses on the creatures that roamed the Earth before recorded history! In this program, your engineer will explore the basics of robotics while building some fascinating prehistoric creatures with their classmates!

Builds your student will do: Brachiosaurus, Eoraptor, Mammoth, Megalodon, Pteranodon and T-Rex.

REGISTRATION

Registration Starts: December 1

Register at the Legacy Center Registration Office during normal business hours or online at www.lehi-ut.gov/legacy-center or www.lehi-ut.gov/legacy-center.

Registration is non-refundable and non-transferable. Space is limited so register today.
