UTAH SCHOOL OF MAGIC

Get ready to take an amazing adventure into the exciting world of magic. Learn how to move objects with your mind, make a monkey appear and operate a time machine just to name a few. In this course students will learn the different types of magic from dinner table tricks to big stage illusions, but more importantly they will discover the real secrets to becoming a true magician as each lesson reveals an important life skill to help build their confidence and communication skills.

Each lesson comes with a custom magic prop, a top-secret file folder, and a secret word to unlock bonus videos in an online video vault. This life changing program builds self-confidence and develops critical communication skills in a fun and unique way that is guaranteed to unlock your child's potential and impact the rest of their life.
