****NOTICE****

Dear Lehi City Resident/Business Owner:

The Lehi City Street Department crews will be chip sealing **1100 West, Tuesday, May 14th**.

This is a preventive measure to extend the life of the asphalt.

Therefore, any vehicle(s) or debris will need to be removed from in front of your home/business and off the street by this time. If the vehicles(s) are not moved by the given time, the City will have them “Towed at owner’s expense”.

Access will still be provided, although periodically may be delayed when crews are present.

There will be no parking on the road for each of the days referenced, so work can be completed in a timely manner. We appreciate your patience in working with us on this project.

A map of the work area can be found on our city webpage - <https://www.lehi-ut.gov/departments/public-works/streets/>

We appreciate your co-operation in helping us maintain our city streets. If you have any questions, please contact our Public Works Department at 385-201-1000 between 8:00 a.m. and 5:00 p.m. Monday thru Thursday

Sincerely,

Lehi City Street Department
