

Deputy Fire Chief

DEPT: Fire
DIV:
DATE: July 2019

FLSA: Exempt
EEOC: Officials/Admin

POSITION SUMMARY

Performs **professional managerial duties** related to planning, organizing, directing, staffing, and coordinating fire prevention and suppression activities within the City. Provides administrative direction and leadership. Acts as advisor to city elected officials regarding fire protection services. This position is designated as at-will.

SUPERVISION RECEIVED

Works under the broad policy guidance and direction from the Fire Chief, or City Administrator.

SUPERVISION EXERCISED

Provides general supervision to Fire Officers and Fire Fighters.

ESSENTIAL FUNCTIONS

Establishes and maintains effective working relationships with fire chief, staff, city officials, community organizations, other fire department, other agencies, city departments and the general public; represents the city in public, makes presentations; advises city management and city council regarding department operations; responds to the general public and communicates department policy, practice and procedures; serves as departmental Public Information Officer (PIO) communicating with the public and media in behalf of the department.

Assists with planning, directing and administration of fire prevention and suppression programs of the city; develops city policy into action plans and strategies; develops and/or approves changes in fire ordinances and codes; directs fire code enforcement programs and practices; determines essential resources needed to achieve program objectives and allocates resources to various phases of department operations; oversees the management of all departmental resources, i.e., equipment, materials, staffing, time/shift allocations and finances.

Assists with the Preparation and administration of department budget; approves ordering of equipment and supplies; verifies costs incurred by department; monitors expenditures to assure conformity to established fiscal constraints; prepares and writes reports on department activity; seeks and applies for alternative funding through grants and other financial programs targeting fire prevention and safety; administers funds and programs to conform to grant requirements; participates as member of state and local committees, i.e., flood plain management, safety committee, etc.

Exercises supervision over department personnel; develops and implements policies and procedures applicable to administrative functions providing policy guidance and leadership; assigns and evaluates work; disciplines personnel when necessary; oversees departmental training related to fire prevention, suppression, investigation, emergency medical response, equipment maintenance and hazardous materials handling.

Coordinates and participates in interviewing, screening and hiring of new department members; participates in the planning and implementation of fire drills; updates and informs personnel of new policy changes or procedures; manages the ongoing compliance with accreditation requirements; provides training and mentoring for staff.

Directs departmental emergency response and emergency medical program; participates in and/or delegates investigation of fires (24 hours a day); determines the magnitude and needs of the fire and/or hazardous material incident to expedite suppression or containment and minimize property loss.

May respond to fires and perform as incident commander; directs department personnel in the performance of their duties; makes decisions concerning effective fire strategy, water source usage, overhaul, removal of property, and blockading streets or other entrances while a fire is in progress for the protection of life and property.

Conducts public meetings or issues public notices to inform citizens of fire hazards in the community and activities of the Fire department; enforces rules and regulations established for protection of life and property; may make presentations to schools and civic groups; develops and maintains good public relations with the community.

Develops and oversees station house maintenance and general upkeep; assures upkeep and functional operation of all equipment and firefighting apparatus; assures department readiness to deliver efficient and effective response to fire and emergencies.

Assists in the implementation of inspection programs on local establishments, schools, pre-schools and other high priority safety environments; oversees coordination of fire drill exercises; directs the preparation of regular reports and submits to school administrators, state and/or federal agencies.

Assists in oversight and issues burning permits; provides direction of site reviews to confirm compliance with burn regulations and ordinances; advises citizens regarding safety methods and precautions related to open burning.

Performs related duties as required.
