

Fire Captain, Senior

DEPT: Fire
DIV:
DATE: July 2016

FLSA: Non-Exempt
EEOC: Officials/Admin

POSITION SUMMARY

Performs a variety of **advanced and “lead” first-line supervisory** fire prevention and mitigation duties; supervises an Engine/Truck company to prevention and mitigate emergencies and disasters; engages in proper planning, public education and code enforcement. Responds to emergencies involving fire, medical or environmental concerns and oversees the safety of crewmembers and the public at all times; may be assigned administrative duties to include training, equipment etc.

SUPERVISION RECEIVED

Works under the general supervision of the Fire Chief and Battalion Chief.

SUPERVISION EXERCISED

Provides immediate to close supervision to Engineer(s), Fire Fighters, paramedics, EMT(s) and Hazmat personnel while in training, on a project-by-project basis, or as incident commander or “Officer-In-Charge” (OIC) in the absence of a Battalion Chief.

ESSENTIAL FUNCTIONS

Supervisory and Operational Duties: Supervise Engine/Truck company members; take command at fire, medical and environmental concern incident; respond promptly and efficiently to emergency fire, rescue, hazardous materials and medical alarms; determines various staffing and scheduling requirements; conduct performance evaluations, skills testing, and monthly individual interviews of Engine/Truck company staff; establishes NIMS compliant operations centers in the event of emergency; assumes responsibility for fire investigations in the absence of the Fire Marshal.

Administrative Functions: Maintain a daily schedule for the activities of crewmembers; keep training records for Engine/Truck Company, which include both fire and medical; prepare monthly reports which detail training hours, hydrant and business inspections; complete detailed reports on all medical and fire incidents on the appropriate forms; prepare inventory reports on all medical supplies and fire equipment.

Training Duties: Conducts daily training sessions to keep crew members current on all fire and medical procedures; complete a minimum of 15 hours of training per month; complete one evolution (fire or medical) per month; develops and implements training curriculum.

Station, Apparatus, and Ground Maintenance Duties: Oversees for the completion of station janitorial activities, to insure the building is ready for public inspection at all times; washes and waxes apparatus; insure that all components on the apparatus and equipment are clean and working.

Prevention and Life Safety Duties: Prepare and conducts tours, lectures, and video presentations; responsible for an assigned fire hydrant inspection district; responsible for assigned business inspection district and completion of annual inspections; displays fire apparatus and participate in public demonstrations; participates in local school programs and various civic and city functions.

Marginal Duties: Attend and participate in meetings with Battalion Chief and Staff Members; serve on various teams and committees; maintain task books and updates Captain task details; assists in the development of “Officer Academy”.

Performs related duties as required.
